The board step 313132 must be used for all boxes/estates. The originally mounted board step cannot be used for all boxes/estates. This is also intended for box version with integrated step device in the bumper. Your Mercedes or VW dealer will be of help in case you need further information with regard to the towing capacity of your vehicle.

\*When mounting the towbar the integral underrun guard can no longer be used on the vehicle. Please order a new underrun guard at the Mercedes or VW dealer:
